## Custom Colors

Ecore offers more than 35 standard EPDM colors [see page 2]! These colors are created through Ecore's ColorMill®. Ecore is unique, because it is one of a few flooring manufacturers to develop its own EPDM products at its facility in Lancaster, PA. The exclusive ColorMill® process ensures your design will feature the most vivid colors and exhibit a smooth, even finish. There are no limits to the imagination! Create a new shade with various formulations from the color palette.

## Custom Logos

Whether you want to boost your school's spirit with an inlaid mascot logo or add sophisticated design to your facility with freeform shapes, Ecore can make it happen with our custom logos program!
