ADDITIONAL INFORMATION

Warranty

See Ecore Warranty Guide for warranty duration.

Please Note

Smash Mats are intended as a temporary surface covering, not as a permanently installed surface. Ecore is committed to sustainable manufacturing practices and the reuse of manufacturing products whenever possible to eliminate our waste stream. Because this product is not intended as permanent flooring, but a protective cover, Ecore reutilizes first quality manufacturing excess as part of the formula for this product. This may result in visual irregularities, but does not affect the performance of the material.
